## ADDITIONAL TYPES OF BADGES (NOT PICTURED)

*Frost sells you exactly what you need, so if the above badge options are not quite right for your particular situation, ask about these other forms of identification.*

<b>TAPE SLOT &amp; WINDOW BADGES</b>	Reusable. Do-it-yourself personalizing with paper, tape, or Dymo Tape machine inserts. For semi-permanent personalization.
<b>SUBLIMATED BRASS BADGES</b>	For the elegant look of brass. Multi-color logos and sublimated personalization on .020" brass-plated steel with satin finish.
<b>MEETING/CONVENTION BADGES</b>	Economical. One-time use. Do-it-yourself personalizing with paper or business card inserts; For meetings, conventions and other temporary or large group identification requirements.
<b>LAMINATED VISITOR &amp; SECURITY TAGS</b>	Durable. A permanent badge that is excellent in situations where personalization is not required.
